KUSHAL DUBEY

B.Tech. - CSE - IOT & Intelligence System

BRIEF SUMMARY

Currently pursuing a Bachelor's in Computer Science & Engineering from Manipal University Jaipur. I am passionate about becoming a front-end app developer and have a keen interest in technologies like NoSQL, MongoDB, JavaScript, Flutter, Dart, Java, HTML, and CSS. My hobbies include singing, playing badminton, and coding.

C Java DBMS MySQL NoSQL OOPs Data Structures Algorithms Machine Learning
Artificial Intelligence Python Dart Flutter IDE HTML CSS Javascript Arduino UNO PHP Linux
Cisco Packet Tracer

EDUCATION

Manipal University Jaipur	2021 - 2025
B.Tech. - CSE - IOT & Intelligence System CGPA: 8.50 / 10	
St. Joesphs Convent School, Khandwa	2021
12 th CBSE Percentage: 82 / 100	
St Joesphs Convent school, Khandwa	2019
10 th CBSE Percentage: 87 / 100	

PROJECTS

Train Ticket Booking Application	08 Feb, 2024 - 15 Apr, 2024
Mentor: Dr. Vaishali Yadav Team Size: 1	
Key Skills: Flutter Dart Firebase	
In this project I have made a front End with Flutter and Dart and also connected the database with firebase and it is the working application model as well	
Heart Disease Prediction System	14 Sep, 2023 - 15 Nov, 2023
Mentor: Dr.Somya Goyal Team Size: 1	
Key Skills: Artificial Intelligence Machine Learning Python	
Project Link: https://github.com/Kushal-dubey/Heart-Disease-Prediction	
In this project I have made a model which will be trained enough to test and train and also to predict the heart diseases.	
LPG Gas level detection and Leakage	07 Sep, 2023 - 03 Nov, 2023
Mentor: Dr. Sandeep Sharma Team Size: 2	
Key Skills: Arduino UNO Python	
This is the IOT project basically used for gas level detection in LPG gas Cylinders and also been used for gas leakage as well	
Online Book Store	07 Mar, 2023 - 20 Apr, 2023
Mentor: Dr. GL Saini Team Size: 1	
Key Skills: HTML CSS Javascript PHP MySQL	
Project Link: https://github.com/Kushal-dubey/Online-Bookstore	
In this project I have made the front end with php and design of database through mySql	
Cab Booking System	10 Nov, 2021 - 16 Feb, 2022
Mentor: Dr. Shashank jain Team Size: 1	
Key Skills: Python Tkinter HTML MySQL	

Project Link: <https://github.com/Kushal-dubey/Cab-Booking-System.git>

In this Project We have made a Cab booking System using Python and using different Libraries as well.
And Also We have used SQL for creating database

Scientific Calculator Using Python

10 Nov, 2021 - 05 Feb, 2022

Mentor: Dr. Shashank jain | **Team Size:** 2

Key Skills: Python Tkinter HTML CSS

In this project I have made the Scientific Calculator using Python and various Libraries such as Tkinter as well.

ASSESSMENTS / CERTIFICATIONS

Machine Learning in Python

02 Dec, 2023

Aggregate:91 / 100

Key Skills: Machine Learning Python

I have learned the concepts of machine learning understand the concepts of regression,Classifiers in it.

Cisco Skills For all

25 Nov, 2023

Aggregate:87 / 100

Key Skills: Endpoint Security

I have learned the cisco endpoint security course.

Introduction to Software Engineering

23 Nov, 2023

Aggregate:81.30 / 100

Key Skills: Software Development

I have learned the concept of software Development in detail in this course..

Introduction to Artificial Intelligence

15 Nov, 2023

Aggregate:88.30 / 100

Key Skills: Artificial Intelligence

I have learned the concepts of artificial intelligence so far..

Ethical hacking Essential

10 Nov, 2023

Aggregate:93 / 100

Key Skills: Ethical Hacking

I have learned the concepts of ethical hacking and the preventions to be taken as well.

Red Hat System Administration I (RH124)

26 Apr, 2023

Aggregate:89 / 100

Key Skills: Redhat Linux Operating Systems

I have Understand the basic concepts of linux and operating systems in it..

Data Structures And algorithms

30 Nov, 2022

Aggregate:89.10 / 100

Key Skills: Data Structures Algorithms

I have understand the concept of Data Structures and Algorithms in C programming language

Java Object Oriented Programming

29 Nov, 2022

Aggregate:87 / 100

Key Skills: OOPs Java

I have learned the Concepts of Java and Object oriented Programming as well.

Python Programming

24 Nov, 2022

Aggregate:83.16 / 100

Key Skills: Data Science NumPy Pandas Python Data Analysis

In this course i have learned concepts of Numpy, Pandas, Data Science and Analysis and Python programming language as well.

C for Everyone

02 Nov, 2022

Aggregate:92 / 100

Key Skills: C

In this Subject I have Learned the fundamentals of C programming Language.

PERSONAL INTERESTS / HOBBIES

◦ Playing Cricket and Badminton, Listening Music

◦ Github - <https://github.com/Kushal-dubey>

PERSONAL DETAILS

Gender: Male

Marital Status: Single

Current Address: : 05 kadamba urban woods vatika infotech

Jaipur Rajasthan, : 05 kadamba urban woods vatika infotech
